## Europe's largest cleantech business idea competition

Does your business idea tackle climate change? And do you dream of becoming an entrepreneur? Join Climate-KIC's ClimateLaunchpad, your ticket to European and global success. We offer you a rousing ride to starting your own business:

- 2-day Business Boot Camp;
- 6 Coaching Sessions where you'll learn to find your target markets and turn your idea into a business;
- a chance to pitch your idea in front of renowned national and international juries.

Europe's top-8 ideas win direct access to Climate-KIC Accelerator, the only EU business acceleration programme focused on cleantech commercialisation. The top-3 of the European Final win € 2,500 to € 10,000.

'ClimateLaunchpad gave me more confidence and passion about our project.'

Esther Lissel, Germany, EU Finalist 2014

## Are you up for it?

You can apply if you have a business idea about sustainability and you have what it takes to become an entrepreneur. Your idea can be about an all-out mind shift in urban mobility, a sustainable transition in the food chain or any other way to tackle climate change. Even if your idea is still on the back of a napkin, you're most welcome to join.

## Enter now

The competition is open in more than 25 countries. Check our website for key dates, submit your idea and let the games begin.

## ClimateLaunchpad is a Climate-KIC programme

Climate-KIC creates opportunities for innovators to address climate change and shape the world's next economy.
