<http://www.climate-kic-centre-hessen.org/unternehmertum.html>

Call for applications open until 25 July 2015

 Climate-KIC is supported by the EIT, a body of the European Union

‘Our participation in Climate-KIC Hessen’s Accelerator Programme helped us to drive forward our technology and to enlarge our customer base.’

Taci Aydin Kutlu

Windmanufactur GbR, winner of “Climate-KIC Accelerator programme 2013”

Take part in Europe’s largest Cleantech Accelerator programme

Have you set up a low-carbon business enterprise, but are not sure how to bring it to the mass market? Do you dream of becoming an entrepreneur? Join Climate-KIC Accelerator Hessen programme, your ticket to success.

What’s in for you?

We offer you an exciting journey to start your own business:

- ▶ Grants (in-kind services up to 15.000 €)
- ▶ Boot camps and coaching sessions with business experts
- ▶ Participation in Climate-KIC events (e.g. Venture Competition in Birmingham, UK)
- ▶ A large network of international partners and experts

The Climate-KIC Accelerator Hessen is a compact five months programme boosting your progress!

Are you up for it?

Our Accelerator programme empowers teams to take control of their innovative and entrepreneurial potential. It offers a systematic, three-stage approach to help entrepreneurs develop, fund and implement business plans, helping young companies negotiate the rocky road to success with investors. You can apply if you are a start-up or an existing entrepreneur and your innovative business idea addresses climate change mitigation and adaptation, energy efficiency or low-carbon economy.

Sign up now

Our programme provides you with all the knowledge, resources, tools and coaching a Cleantech Start-up needs for success. We will help the most promising start-ups connect with the right experts.

Climate-KIC Accelerator Hessen is a Climate-KIC programme

Climate-KIC creates opportunities for innovators to address climate change and shapes the world’s next economy.

‘Being accepted to the Accelerator Programme was like a “door opener” for us.’

Patrick Mijnals
bettervest GmbH, winner of “Climate-KIC Accelerator programme 2013”
